How to Find Us - Coming from London and the M25

Coming from London or the M25 (junction 10), take the A3 southbound. Leave the A3 at the exit for Burpham which is signposted about 2 miles before Guildford. Go straight over at the first roundabout, turn right at the second roundabout and then go straight over at the third roundabout (a Sainsbury's Supermarket is on your right). Almost immediately after the roundabout is a pedestrian crossing and the first turning on the left which will take you into Burpham Lane. The second turning on your right is Howard Ridge, with our offices (#4 Howard Buildings) just on that turning. Turn into Howard Ridge and our car park is on the right just beyond the building.

How to Find Us - Coming from the South or West

Coming from the South (A3/A31) or West (A322), initially follow the signs for 'Guildford Centre' from the A3/A322 junction and proceed past superstores (PC World, Currys, B & Q are on your left) going straight over at the traffic lights (ignore signs for town centre from this point on). Continue on the dual carriageway to the next junction (traffic signals). Proceed straight over this and then follow signs for A3 (Burpham), forking left on a filter lane at the next roundabout. Go straight over the next two roundabouts passing a parade of shops on your right before the second of these. Take the first exit at the next roundabout and then proceed straight across the following roundabout (a Sainsbury's Supermarket is now on your right). Almost immediately after the roundabout is a pedestrian crossing and the first turning on the left which will take you into Burpham Lane. The second turning on your right is Howard Ridge with our offices (#4 Howard Buildings) just on that turning. Turn into Howard Ridge and our car park is on the right just beyond the building.
